

RADIA™

HAVE HIGHER EXPECTATIONS FOR YOUR 5-GALLON DOLLY

FETCH™
THE NEW, HEIGHT
ADJUSTABLE
5-GALLON DOLLY

Unload stacks of 5-gallon containers from a pallet without lifting a single one.

TC5 | **FETCH™**

A NEW FIVE-GALLON DOLLY FOR UNLOADING STACKS ON THE GROUND OR ON A PALLET

The FETCH is a new five-gallon dolly that helps eliminate back strain from lifting and bending associated with moving 5-gallon pails off of a pallet. The FETCH is ergonomically designed with a lightweight aluminum frame with guides and retention bar designed to cradle the pails for easy and safe transport. The FETCH has been uniquely engineered to reach stacks of 5-gallon pails from a pallet or the ground.

- ▶ The FETCH replaces your current 5-gallon dolly and eliminates all lifts off of a pallet.
- ▶ Helps eliminate back strain related to lifting and bending associated with unloading stacks of 5-gallon pails from a pallet.
- ▶ Reach stacks of 5-gallon pails at pallet height with a simple press of a pedal.
- ▶ Ergonomically designed with a lightweight aluminum frame to cradle pails.
- ▶ Short, strong handles create firm grip and ergonomic wrist position for easy tilt.
- ▶ Features top retention bar to hold full stack in a steady, upright position.
